

Brett Horsburgh Mini Bio

Brett is an Idaho native who graduated from Skyline High School in Idaho Falls. Brett obtained an accounting degree from Idaho State University and has been employed by BEA as a Contract Specialist at INL for 6 years. Brett currently manages a group of Contracting Professionals who support INL's Materials and Fuels Complex as well as all off site fabrication services. Prior to his work at INL, Brett had ten years of experience in construction as a licensed sprinkler fitter, six years of experience as a licensed realtor in the State of Idaho, and four years of experience in various Idaho fabrication shops. In his time away from work, Brett enjoys family activities, fishing, bird hunting and golf.
